Who are we?

HSA is a truly local, registered NDIS provider. We are a non-government, “for-purpose” organisation operating in the Rockhampton, Capricorn Coast and Mt Morgan areas.

HSA originated as a local, grass-roots service through the work of people living in this community and driven by the needs of people living in this community and continues to operate under these principles today after 25 years of change and growth.

At HSA, we work alongside people to identify their strengths, interests and goals, providing just the right amount of support they need to be able to live the lifestyle they choose.
